

2025-2026 Student Perception Survey – WWPS District Improvement

Scale for responses: 1 = Strongly Disagree 2 = Disagree 3 = Agree 4 = Strongly Agree

STUDENT SURVEY STATEMENT

I am offered learning opportunities that interest me.

I know how to monitor my own learning progress in school

I feel attendance is important for me to be successful at school

I understand the behavior expectations that are set for me at school

Most students in my school follow the expectations for behavior

I feel my school is clean

I am offered opportunities to be involved in my school that are relevant to my interests (band, athletics, clubs, etc.)

My school is a place I feel I am able and want to learn

My teachers use different ways to help me learn

I feel behavior problems are handled effectively at my school

My school prepares me to be open to students who are different from myself

My school makes me feel welcomed and included

I have ways I can continue learning from home (access to resources, activities, etc.)

My teachers share the learning targets so I know what we are learning

I feel safe while in school.

I understand the safety procedures to follow in the case of emergency.

I feel connected to the other students at my school

I feel I have a connection with at least one adult at my school

If I felt upset, a staff member would notice and help.

I look forward to going to school

I know what events are taking place at school (clubs, sporting events, etc.)
