Official Michigan Highly Qualified Middle School Teacher Report Revised July 12, 2007

Note: All teachers must hold at least a bachelor's degree and full state certification (and be assigned within the subject and grade level validity of the Michigan certificate). Check the one option you have completed that demonstrates you are a highly qualified teacher in the core academic area identified at the top of this page. Middle School teacher assigned grades 6-8: If you provide direct instruction to students in a core academic subject, choose from the following: Earned an academic major in the content area. Passed the MTTC subject area test for the content area. Have an earned master's degree in the content area or related/supporting area. (MDE has determined that a master's in an appropriate supporting program, such as curriculum and instruction, may be used as a demonstration of highly qualified for all of the subjects [for which the teacher is authorized by the state] in which the teacher was instructing at the time the master's was earned.) Have completed one or more of the following HOUSSE options: Have at least three years of teaching experience and have completed, after receiving the Michigan Provisional teaching certificate, a minimum of 18 semester hours in a core academic subject program of study or towards a master's or higher degree that supports the teaching of the core academic subject. (HOUSSE Option 1) Have at least three years of teaching and completed (in the last five years) an individual professional development plan of 90 clock hours of professional development or 6 semester hours of coursework in the content area. (HOUSSE Option 1) Demonstrated competence, as outlined in a local performance assessment of my employing district (portfolio or classroom observation). (HOUSSE Option 3) Have National Board Certification in the content area at an appropriate developmental level for your assignment. Have coursework equivalent (at least 30 semester hours) to a major in the content area.
